 LabAsia Exhibitions

 Asia Pacific Leading Lab Exhibition

Organised by:

A NEW DIMENSION IN NEW NORMAL

With the unique advantages of high internationalization and entire coverage in the laboratory industry chain, LABASIA has become a trading platform for efficient communication between suppliers and key customers, bringing many business opportunities for laboratory instrument enterprises. Internationally well-known enterprises and domestic excellent brands will gather in the brand new venue from **10 – 12 October 2023** at **Kuala Lumpur Convention Centre (KLCC), Malaysia.**

While providing all-round solutions for laboratory professionals, it also creates a more accurate and deep-seated communication platform for domestic and foreign instrument brand enterprises, and promotes the development of R&D, testing and analysis technology in pharmaceutical and biotechnology fields.

LABASIA are also proud to introduce the first-ever **Hybrid Exhibition** format to keep the exhibitors to continuously connected with their buyers through the physical and online platform.

(Wednesday – Friday)

Physical & Virtual Opening Hours:

10:00 am to 6:00 pm

Venue:

**Kuala Lumpur Convention Centre (KLCC),
Malaysia**

INTRODUCTION TO LABASIA

HYBRID EXHIBITION

LABASIA Hybrid Exhibition combines both the physical event and virtual component of exhibiting brands, providing both exhibitors and visitors an integrated and interactive experience to connect in a professional setting in a safe physical environment and a non-restricted virtual space simultaneously.

The Virtual Platform is a complement to the physical event, where buyers and exhibitors can build business connections through a virtual space. The Virtual Platform is designed to replicate the appearance of a live event to ensure a realistic and immersive experience for the visitors. Customised exhibition booths and structures are available across the platform, and visitors can conveniently visit and browse the exhibitor's offerings.

PHYSICAL EXHIBITION

- Focusing on face-to-face business meetings with physical visitors
- Helps to build brand proximity and awareness to the onsite visitors
- Generate and nurturing sales leads after the physical event

VIRTUAL EXHIBITION

- Using Interface-to-interface virtual meeting targeting a wider global audience
- Create additional exposure to your brand and message with extended advertising opportunities
- Utilise special analytic tools and lead tracking to receive immediate sales leads
- A strategic tool that intelligently connects the exhibitors and buyers

EXHIBITOR PROFILE

1. Analytical Systems
2. Agriculture & Food
3. Biotechnology & Life Science
4. Calibration Systems
5. Chemical Process Technology, Chemical Handling, Transport & Storage
6. Chemicals Reagent & Supplies
7. Drug Discovery
8. Environmental Sciences Testing
9. Forensic & Security Testing
10. Laboratory Consumables
11. Laboratory Data Systems & Documentation
12. Laboratory Instruments
13. Laboratory Testing
14. Material Testing & Characterization
15. Nanotechnology Testing
16. Occupational Health & Safety Equipment
17. Optical Imaging Systems & Microscopes
18. Petrochemical & Petroleum Testing
19. Pharmaceutical Testing
20. Quality Assurance & Quality Control
21. Research & Development
22. Scientific Equipment
23. Test & Measurement

VISITOR PROFILE

KEY VISITOR INDUSTRY PROFILES

Here's who you could be meeting at LABASIA 2023, sorted by industry sectors:

1. Advanced Materials
2. Biotechnology
3. Chemical Processing
4. Education and Training
5. Food & Beverage Processing
6. Material Testing & Inspection
7. Oils & Fats and Oleochemicals
8. Oil & Gas
9. Pharmaceutical and Healthcare
10. Petroleum and Petrochemicals
11. Pollution Control
12. Research Laboratories
13. Rubber and Plastic Products
14. Water & Waste Management
15. Universities & Government Agencies
16. Trade/ Agent/ Distributor
17. Trade Association / Government / Government Agencies
18. Cosmetic Manufacturing
19. Medical Devices

BOOK YOUR EXHIBITION BOOTH **TODAY**
